Hi Jim,
I reviewed a hard copy of the revised decision doc on the plane, so I won't be able to upload comments until next week, and Jim C told me yesterday that he was not going to be able to review until next week as well
I'm going to meet with Miranda this afternoon to discuss next steps so I'll let her know that we will need a couple of extra days. (b) (5)
I'll also check with Miranda and Dan if they know if the RA has talked with HQ yet about this action

Hi Chris H – I hope your trip is going well. I saw that you told Chris L that you got a chance to review this on the plane. When will you be able to upload your comments? I'd like the benefit of them before I review if possible.
Jim C: Will you have further comments?

Depending on when comments will be available, I may ask if we can have until Monday to complete our comments on this.
Jim

Subject: Deschutes draft decision document revision

Hello
Thank you for helping with the review of the draft Deschutes TMDL decision document. Your thoughts and comments were very helpful, and I appreciate all of your time and effort with this! I have worked through the comments and made edits to reflect your feedback. I'm sharing the document back out with you so you can check that I sufficiently addressed your concerns and to make sure there are not any more outstanding high-level concerns with the document. After this point, we will start the management review and concurrence process for issuing our TMDL action.
To simplify this review, I only kept track changes where there were significant content changes (I tried not to keep reorganizational and editorial changes). I also greyed out and/or deleted comments that have been addressed or don't need further attention. I kept comments active where I think it would be a good idea for you to double-check that I sufficiently addressed your concerns. I'm asking that you have this review done by next Friday 6/8. Here is the link to the document:
